Moreeb Dune Liwa Guide: Location, Activities and Camping Tips

Primary keyword: Moreeb Dune Liwa

Moreeb Dune, also called Tal Moreeb, is one of Liwa's best-known landmarks. Experience Abu Dhabi describes it as over 300 metres high with a roughly 50-degree incline, and it is closely associated with the Liwa International Festival.

Where Moreeb Dune is

Tal Moreeb is in Al Dhafra, Abu Dhabi, near the Liwa desert and Empty Quarter. The road journey is long enough that an overnight plan can be more comfortable than a rushed return trip.

Why it is famous

The dune's height and steep face make it a dramatic motorsport venue. Hill climbs and other vehicle events are a major part of the winter festival atmosphere.

Things to do nearby

Visitors can photograph the dune, explore Liwa landscapes, visit oasis settlements, camp, stargaze and book desert activities. Only experienced drivers should attempt demanding off-road routes.

Best time to visit

Cooler months are more comfortable. Festival season adds events and crowds, while non-festival dates offer a quieter landscape.

Camping tips

Camp on a safe, stable area away from traffic routes and steep dune faces. Expect wind, secure tents carefully and keep a clear navigation plan for after dark.

Before you leave

Check the latest weather, carry water, confirm fuel and navigation, verify bookings, and do not attempt deep-sand driving without suitable experience and recovery equipment.
